

max now integrates with both Xero & MYOB

Our online business management system makes your pricing, quoting and invoicing processes much easier and faster.

Save time everyday

- › No more manual data input
- › Consolidated approach to invoicing
- › Book keeping simplified
- › View PDF invoices (MYOB)
- › Search invoices by job name or order number (MYOB)

It's easy to integrate both Xero or MYOB. Follow these simple steps.

Xero

Step 1

- › Log into maX and navigate to Manage Account. Once there, select Linked Applications.

Step 2

- › You will be prompted to log into to your Xero account.

Step 3

- › Once you have logged into Xero, you'll need to authorise access for maX.

Step 4

- › Complete the setup by selecting the relevant configurations from the dropdowns.

HOT TIP

If you're not sure what to choose for the 'Account Code' dropdown, we recommend selecting 'Purchases'.

MYOB

Step 1

- › Log into maX and navigate to Manage Account. Once there, select Linked Applications.

Step 2

- › You will be then be prompted to log into your MYOB account.

Step 3

- › Once logged into MYOB the link will be complete, and simply navigate back to maX.
