ROGRIPS

Get a grip – on pipes, sockets, screws, nuts and flat materials. Rothenberger's patented Curve Shape Design is made for a higher gripping capacity than other pliers, with a 3-touchpoint shape that reduces slip off.

ELECTRICAL PLIERS

With its serrated surface, you can grab wires with über precision. Add the integrated M10 ring spanner which tightens or loosens nuts and screws and you'll be working at speed.

70 YEARS OF GREAT GERMAN SUMMERS.

Rothenberger have been one of the leading producers and designers of pipe tools for trades since 1949. They bring high quality German engineering and innovation to every tool they make, from pliers and wrenches to welders and joiners.

Perfect German handling. Loved by Aussie tradies.
